

Café West

Café West is committed to offering young people and adults with learning and other disabilities the opportunity to live a fulfilling life. By choosing to support Café West, you are helping us to fulfil this vision, giving our trainees invaluable opportunities.

We pride ourselves on making as much of our menu as we practically can on-site, fresh every day. Together with our partners at Grow West and other local food producers, we make sure that our food is always locally sourced, fresh and of the best quality.
